Launceston City's Going Global !!! - "iHola Mision Mexico"

In January of this year Tony Rossi organized to send some Launceston City Strips & Balls to an orphanage in Mexico with the much appreciated help of Chris Peters at Australia Post, (Chris is the dad of the Allies debutant Goal Keeper Kendal Peters). The club recently received an Email from Pam & Alan Skuse at Mision Mexico:-

"Dear Tony, I am writing to you to thank you for sending Mision Mexico the soccer equipment that you sent some time back and to let you know that we greatly appreciate your thoughtfulness. The children have been using the gear for some weeks now and they look great dressed up in the Launceston City shirts! Alan, the children and sometimes the volunteers, play each Sunday afternoon, after a day at the beach. It has become tradition and they are often seen limping into the refuge after an intense but fun game. Also, after the game we have an Aussie/Mex BBQ, again trying to build traditions and fond memories for the children. Thankyou so much once again.

God bless you all, Pam & Alan Skuse and the children of Mision Mexico." As you can see from the photo above the children look great in the City Strips and its fantastic to see how happy they are with our clubs small contribution to what we hope will be an ongoing tradition for many years to come. I am sure you will agree that this story instills a tremendous amount of pride in everyone associated with the Launceston City Soccer Club. Thankyou Tony Rossi and Hello to Pam & Alan and all the children at Mision Mexico from everyone at Launceston City Soccer Club.
